**FRANKTOWN BUSINESS AREA METROPOLITAN DISTRICT
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Franktown Business Area Metropolitan District is a quasi-municipal corporation that is governed pursuant to provisions of the Colorado Special District Act. The District's service area is located in eastern Douglas County, Colorado. The District was established to acquire, construct and/or operate and maintain a complete local sanitary sewer collection and transmission system, potable and/or non-potable local water system, traffic and safety controls, street improvements, public transportation, television relay and translation system, parks and recreational facilities and to provide for the elimination of mosquitoes.

The operations of the District relate to the financing of a sewer transmission system and the negotiation of an Intergovernmental Agreement with Denver Southeast Suburban Water and Sanitation District for sewer processing services.

The District uses the modified accrual basis of accounting.

Revenue

The District sets a mill levy for property taxes to fund a portion of its operations. The calculation of the taxes levied is noted in the budget and reflects an adopted mill levy of 25.000 mills, minus a temporary rate reduction of 15.000 mills for a net 10.026 mills yielding \$63,015 in property taxes to be collected in 2024.

Specific ownership tax revenue is based on a sharing of the collection of vehicle ownership taxes pooled by the County. The 2024 projected amount is calculated as a percentage of property taxes.

Interest earned on the District's available funds has been estimated based on an average interest rate of less than 1.0%.

Expenditures

Administrative and operating expenditures include the services necessary to maintain the District's administrative viability such as insurance, management, legal, accounting and engineering costs.

County Treasurer's fees have been computed at 1.5% of the property taxes.

Reserves

The District has provided for an emergency reserve equal to at least 3.0% of fiscal year spending for 2024 defined under the TABOR amendment.

Debt and Leases

The District has no outstanding indebtedness, nor any operating or capital leases.
